

LIVING PROOF | Update to Sponsors

April 2021

Dear Living Proof Partners,

We hope you will find this issue of our Living Proof Newsletter informative and encouraging. There are some really positive and exciting things happening at Hippo Valley Christian Mission and especially in our mission schools and Living Proof ministries. We are excited to introduce you to our new Living Proof Manager, Emmanuel Tembo, and update you on the uniform and backpack giveaway. Your gift at Christmas was very well received. The kids have never had anything like this before! You can see the joy on their faces!

Also, please take the time to read the exciting announcement and vision for the new **Living Proof High School!** This is a dream that many of these poor LP kids could not have even imagined a few years ago. Together, we can make it a reality. Let's do it!

MEET EMMANUEL

Having graduated from Zimbabwe Christian College in the year 2011, I joined HVCN as a minister with one of our congregations in Masvingo Rural, Gunikuni, where I served for about three years. In the year 2014 I moved to Chiredzi to join Chiredzi Christian High School as a Chaplain, a role that I was very eager to take up since I have a huge passion for youth ministry.

I served at Chiredzi Christian High School for the next five years, that is up to 2019 when I was transferred to the largest and most prestigious of our HVCN schools, Dewure High School.

I spent a year of the most exciting and inspiring ministry with young people at Dewure where I

worked with both the Primary School and the Secondary School.

At the end of 2020 my wife and I were asked to join HVCN to work with the Living Proof program, an opportunity that we eagerly accepted. Having a great passion for youth and children's ministry, I knew Living Proof was the best opportunity to contribute to the Kingdom through impacting young people for Christ.

It is an opportunity to get involved and see God raise a generation of future Christian leaders who will be a blessing to the church, their communities and the nation of Zimbabwe.

HAPPY HEARTS AND SMILING FACES!

Thank you for going above and beyond with your generosity this Christmas. Your donations allowed us to ensure every Living Proof child received their new uniform, shoes and their very own Living Proof backpack! The uniforms and shoes are always a huge hit, but the special addition of backpacks made this year extra special.

During the distribution process, our Living Proof Manager Emmanuel Tembo shared these pictures saying, "Happy hearts and smiling faces. Sometimes the greatest joy is found in knowing that you have made some souls happy! Thank you to the partners of Living Proof for this great work!"
